About Organization:

'Write for World' is an international organization which comprise writers and journalists who are passionate about writing. It envisages writing at a global scale which will have a social impact, which can change lives of the needy, which has the power to move the masses and which in its capability would influence the online and print media. We are looking for an experienced 'Web Developer' who can build an appealing and dynamic website for this organization based on Wordpress framework.

Requirements:
Prior website designing experience and knowledge about web technologies.

What do you get?
On successful completion of the internship, you may get a chance to work as a Web Administrator with W4W team.

How to Apply?
Send your Resume/CV at the given email address. You can also send us link of your portfolio(if any).
